Special Community Partnerships/Events

- RMC's Annual Community Leaders Dinner. Typically the dinner involves more than 100 key leaders in the Kansas City area.
- RMC's Community Advisory Board. A voluntary forum for leaders from around the community and members of RMC to share information and feedback as RMC furthers its support of the communities we serve.
- The Annual Research Foundation Community Block Party & Health Fair held in September motivates and encourages a healthy lifestyle for residents in the Kansas City community. Local organizations provide a wealth of health information and free screenings. There is an Eat Healthy, Get Fit, Be Happy area, Injury Prevention area, Children's Activity area and additional activities.
